GLOBALSTL HEALTH INNOVATION SUMMIT

GLOBALSTL HEALTH INNOVATION SUMMIT

2024 | St. Louis

The 8th annual GlobalSTL Health Innovation Summit (GHIS) is the destination for healthcare organizations seeking actionable, innovative solutions and partnerships to the industry's most difficult problems.

12 | TUESDAY | 3:30 PM - 9:00 PM **13** | WEDNESDAY | 7:30 AM - 7:00 PM **14** | THURSDAY | 7:30 AM - 1:30 PM

2024 Shopping List

- Strengthening the financial condition of healthcare delivery systems
- Transitioning from fee-for-service to value-based-care
- Building a sticky and longitudinal patient/member relationship
- Reaching and managing the unreachable, underserved and high-utilizers
- Stitching together a fragmented care ecosystem by building an end-to-end patient care journey
- Enabling seniors to age at home and transforming caregiving
- Leveraging AI to enable above pain points

GlobalSTL Partners

GlobalSTL, an initiative of BioSTL, is the premier global healthcare innovation business development platform comprised of over 25 leading healthcare organizations whose combined revenues exceed \$500B. GlobalSTL sources needs-based innovation addressing the pain points and strategic priorities for our partners.
